Dear Clinton County Republican:

The election has past and it was successful in that great victories for Republican candidates were won at the county, state and national level. But with the victories come great responsibility in providing solid leadership. We must continue to encourage and pray for those who represent us. Preparation must be made for another election in 2018 where a key battle will be the governor's office. That is why the Clinton County Republican Central Committee is contacting you now for help in that path to victory for Republican candidates here in our county and state.

We will be holding two major events again this year, a Spring Event and a Fall Event. A ticket to each event is \$60/ person, but we would suggest a Platinum, Gold, Silver or Bronze Club membership. They offer great benefits including tickets to each of the 2017 spring and fall events plus other extras. Your participation and contribution help support the Republican Party and its candidates. Please check the list below, indicate the level of your support, and return the completed form to the Clinton County Republicans. If you could share your email address, it would significantly help in sharing information.

Thank you for your continued support of the Clinton County Republican Party and its candidates. Your involvement and activity is important to ensure our freedoms are enjoyed by our children and grandchildren. Please give thoughtful consideration to your investment and participation in the next election cycle.

Sincerely,

Daniel Smicker, Chair Lee Cartwright, Co-Chair Diane Cassaday, Secretary Myrna Neumann, Treasurer
